Construction Advisory Committee

The Board/Commission mission statement (per the City Code) is:

Monitor enforcement of prevailing wage scales and job classifications on municipal construction contracts. Advise council and city manager regarding categories and specific projects of maintenance and construction work that should be accomplished by contract through competitive bidding processes instead of by use of City personnel and equipment. Review implementation of state laws, Charter, ordinances and council policies relating to the award of construction contracts and purchase or rental of construction equipment materials and services, including advertising policies, specifications and lease purchase agreements. Advise council and city manager on other construction matters affecting the quality, cost and improvement of City construction programs. See Section 2-1-128 of the City Code for duties.
